I was in at the bakery on Friday and bought the gluten free cupcakes. I just wanted to let you know that they were absolutely delicious! My mom and brother had them and didn't even realize they were gluten free. Anyway, just wanted to give you that feedback to keep it up!

I have to thank you for the cake! You did an amazing job - it looked just like the picture and was SO delicious. It was a hit. I'm telling everyone I know - if you need a cake, go to Sweet Aroma!
